

Corporate Profile

Alter Ego Media, Greece's leading Media & Entertainment group, is evolving into a diversified and integrated Media & Entertainment platform. The Group leverages its content, strong audience relationships, data and strategic acquisitions to accelerate growth, unlock synergies and develop multiple revenue streams.

The Group is expanding beyond its strong foundations in Publishing and Broadcasting into Content Creation and Live Entertainment, building an ecosystem that connects content, audiences, digital platforms and live experiences. More.com, Greece's leading digital ticketing platform, significantly expands the Group's strategic presence in Live Entertainment, complemented by its growing activities in event production and venue management. This broader platform creates opportunities for cross-promotion, audience monetization, data utilization and the development of new products and services across the Group.

The first half of 2026 demonstrated the strength of this strategy, delivering strong revenue growth and a significant increase in profitability. Growth across the Group's businesses, increasing operating synergies and the contribution of recent investments supported this performance, while the Group maintained a strong net cash position, providing financial flexibility to pursue further growth and selective strategic investments
